

Transportation Guide for Visitors of CCS China

Travelling by airplane: from Hong Kong Airport to Zhongshan

- If you land in **Hong Kong Airport in the afternoon before 14:00**, it is recommended to take the ferry at the SkyPier-Ferry Terminal (海天码头) at the airport. Please note that you DO NOT cross the border into Hong Kong. You only go through the custom check into mainland China at the Zhongshan Ferry Terminal.

When you get off the airplane at the airport, please follow the signs to the ferry terminal to buy tickets. Your luggage will be checked automatically onto the ferry. **Please pay attention you need to arrive at the ticket desk at least 2 hours or even 2.5 hours earlier than the ferryboat start time because they need time to transport your luggage. Please take care about this when you book the air ticket.** The ferry leaves at 15:30 and it takes about 1 hour to get to Zhongshan-Ferry Terminal.
